Vision

Mission

Develop professionals of excellent technical calibre in the field of Health Sciences, Engineering, Management and Social Sciences with a humane approach capable of shouldering the responsibility of building a nation and be globally competent.

Objectives

To support, promote and undertake the advancement of academics

To promote use of ICT and modern education technologies

To encourage research, creation and dissemination of knowledge

To facilitate extension and community service

To empower people of Sikkim and contribute to human development in Northeast

To create environmental and social responsibilities among students and employees

To ensure steady growth of the University

Institutions of higher learning are vital for any progressive society and always determines the growth trajectory. With the advancement of science and technology and their impact in our day to day life, the role of technological and medical institutions have become all the more paramount. Sikkim Manipal University, guided by its vision to provide world class technological and medical education preparing skilled professionals for future India, has been consistent over last two decades in achieving its core objectives with high benchmarks.

As Chancellor of the University, I share the joy with the management, faculty and students on our accomplishments. We also remain firm on the goals that we have set for the future along our quest to impact lives of common folk beyond degrees and academics. Sikkim Manipal University has certainly added value to the lives of vibrant Himalayan State of Sikkim by igniting the minds of young ones and transforming them into dedicated professionals and entrepreneurs.

I wish the students the best of their time at Sikkim Manipal University. May you all achieve more and contribute as a true architect of New India.

(Ganga Prasad)
Message from The Pro Chancellor

Dear Students,

Sikkim Manipal University (SMU) is part of the Manipal Education and Medical Group that operates 6 Universities in India and overseas. Among these, SMU has been at the forefront of providing medical and engineering education in the Eastern and North-Eastern regions of our country, since the late 1990s.

Sikkim Manipal Institute of Technology (SMIT) is a constituent college of SMU, set up in 1997 and, over the years, has established itself as a premier engineering institute. Similarly, Sikkim Manipal Institute of Medical Sciences (SMIMS), a constituent college of SMU, set up in 1999, is amongst the leading medical schools in these regions.

Today, SMU is a multi-disciplinary university with a strong faculty base and superior infrastructure. It has, since long, been very ably meeting the academic aspirations of students.

We look forward to welcoming you to our campus and are confident that SMU will be your stepping stone to a successful future.

Rajen Padukone
Message from The Vice Chancellor

Dear Candidates,

Sikkim Manipal University is part of the Manipal Group of Universities and is well known for imparting quality education.

Our perseverance and endeavor are guided by our vision to transform the lives of our students, through exemplary education and training, in their journey of discovery, understanding, awareness and perfection of cutting edge knowledge, skills and competencies.

Our Institutes have state of the art infrastructure, facilities, ambience and organizational culture to nurture your thinking and understanding in your pursuits to perfect your professional knowledge and competence.

Our dedicated teams of faculty are committed to the task of ensuring that our students are well trained to meet the demanding challenges of their chosen profession in the competitive world.

We look forward to welcoming you to Sikkim Manipal University.

Lt. Gen. (Dr) M D Venkatesh
Sikkim Manipal University (SMU)

Established on November 15, 1992 by an act of Sikkim Legislative Assembly through Act No.9/1995.

1st PPP model in India between the Government of Sikkim and the Manipal Pai Foundation.

Recognized by the University Grants Commission (UGC).

Member of the Association of Indian Universities (AIU).

Accredited by National Assessment and Accreditation Council (NAAC)
Vision
To achieve eminence in the field of quality technological education and research.

Mission
To develop SMIT into an institute of excellence capable of producing competent techno-managers who can contribute effectively to the advancement of the society.

Objectives
To provide wholesome education to meet the intellectual aspirations of students.
To equip students with techno-managerial skills to enable them to take their assigned role in the industry.
To inculcate essential ethics and values to meet the spiritual needs of the students.
To provide a sound institutional environment nurturing emotional strength, a healthy mind, body and resilience amongst the students.
Message from The Director

At Sikkim Manipal Institute of Technology, it is our endeavor to achieve eminence in the field of quality technological education and research. Our dedicated team of faculty members are committed to provide wholesome education to meet the intellectual aspirations of students and equip them with techno-managerial skills that will enable them to take their assigned role in the industry as thorough professionals.

We also aspire to inculcate all qualities which are essential to make our students contribute effectively to the advancement of the society.

The institute has state-of-the-art infrastructure and an environment conducive to meet academic, extra curricular and co-curricular aspirations of the students to enable them to be industry ready once they graduate from the institute.

We look forward for you to select Sikkim Manipal Institute of Technology (SMIT) as your destination for higher studies. We are sure that your stay with us will enable you to become a thorough professional in the technical field chosen by you.

With Best Wishes,

Prof (Dr.) Ashis Sharma
1.1 SMIT at a glance

SMIT was established in 1997. The courses are approved by AICTE/UGC. The first technological campus of Sikkim offers high quality technological education and promotes holistic growth of the students. Fully residential campus and endowed with natural beauty makes it an ideal place for students to emerge as the potential nation builders.

SMIT offers undergraduate, postgraduate and PhD in various disciplines of engineering, science and management.

1.2 Advantage - SMIT

- Proven and consistent incremental quality since 1997.
- Well qualified faculty members with strong emphasis on creativity and research.
- State-of-the-art infrastructure.
- Excellent placements coupled with dynamic institute-industry interaction.
- Vibrant Entrepreneurship and Incubation Cell promoting establishment of startup/ companies.
- Student centric unique Teacher – Guardian Scheme for effective mentoring.
- Excellent discipline supported by unique Floor Warden scheme.
- Extracurricular activities facilitated by modern amenities for wholesome development of the students.
- Scholarship and benevolent fund to the deserving/needy students.
- Pollution free and peaceful atmosphere – excellent ambience for teaching learning.

1.5 Academic Departments

Academic Departments at a Glance

All the departments have highly qualified and experienced faculty members providing quality education and guidance to the students. Faculty member adorn the role of guardian as well to facilitate the integration of students in the department and form a life-lasting bond with the students.

Laboratories of all the departments are equipped with latest instruments to strengthen the teaching-learning process.

Workshops and conferences are organized to expose the students to the latest development in the field and provide a platform to interact with the best minds of various disciplines.

The departments and institute have collaboration with various research labs and institutes of India and abroad for carrying out research and development in the frontier areas.
1.5.1 Civil Engineering

The department was established in 2009 and offers B Tech, M Tech and PhD programme.

Research and Development

Active research in frontier areas of Civil Engineering such as water resources, water scarcity and drought, climate-change impacts on water resources, earthquake-resistant structural design etc.

Sponsored research projects from Govt. of India and Govt. of Sikkim

Consultancy projects from Govt. of Sikkim and industries

Good number of publications in reputed international journals

Laboratories

Material Testing, Advanced Fluid Mechanics, Geology, Soil-Geotechnical, Survey, Environmental Engineering, Computational

2.5.2.3 For MSc. Medical Biotechnology

Candidate should complete the B.Sc degree/ carry mark sheet/ probationary certificate during admission time.

In case of any suspicion over the authenticity or genuineness of the testimonials, the reference may be made to the university or the Board which issues certificates to the student and the admission be subjected to the authentication.

Note:
Candidates are advised to keep self attested copies of above certificates with them.

Important Note:

The number of candidates called for counselling may be more than the total number of seats available in the constituent colleges. This is to take care of any drop outs at the counselling stage. Mere call for counselling does not guarantee admission to a course. This will entirely depend on the candidate’s rank, the number of candidates attending the counselling, their choice of course and the number of seats available.

The admission in SMU is purely on the merit basis. SMU does not appoint any agent to facilitate the admission process. For any clarification, please contact the numbers given at the back page of the prospectus.
